CALVARY CHRISTIAN COLLEGE

SPORT AEROBICS COMPETITION TEAMS 2026

Sport Aerobics is a fast paced, energetic dance style that is great for fitness, coordination, and strength. In teams, it helps develop confidence, cooperation, and school pride. Industrie 1 Sport Aerobics is thrilled to be providing this program to the students in conjunction with Calvary Christian College and is excited to see them represent the school in competition with other schools across Queensland and Australia.

The following package outlines the information you will need to consider regarding the competition season, and the commitments involved in taking part in an aerobics team. Please read this information very carefully and be sure to contact us if you require further details or assistance. The children will train to represent Calvary Christian College in the FISAF Schools Stream sport aerobics competitions for 2026

FISAF (Federation of International Sport Aerobics & Fitness) Australia runs the events across Australia.

SPORT AEROBICS TEAM SELECTION:

All students that attend will be offered a place in a team.

SPORT AEROBICS TEAM COORDINATOR

If you need information in regard to **competitions, training, and fees** then please contact Calvary School Program Coordinator for both campuses sportaerobics@calvarycc.qld.edu.au
We will endeavour to answer urgent emails outside of this time frame.

COMPETITIONS DATES FOR 2026

22nd & 23rd May - Industrie1 Challenge event (Cleveland State High)

12th - 14th June - SuperSeries (Nissan Arena, Nathan)

24th - 26th July - 2026 State Championships (Nissan Arena, Nathan)

| | | | | | Dynamos |
| Springwood | Monday | Tuesday | Wednesday | Thursday | Friday |
| | | | | Hurricanes | |
| | | | | Tornados | |
| | | | | Opals | |

NATIONAL CHAMPIONSHIPS

If teams qualify for the National Championship event in September, the following extra costs will apply:

- National Championship Cost: The cost for the National Championships is yet to be determined and will be confirmed closer to the event. Please note that teams who do not qualify for Nationals will attend the Future Champions Cup instead. Teams that qualify for Nationals will not attend the Future Champions Cup.
- Compulsory video & photography levy (supplies all students with digital footage of their routines at Nationals as well as access to all professional photos taken of their performance) \$25.

**This cost will be due upon entry into the National event in July, and payment will be collected directly by Industrie1 coordinators. FISAF enforces strict entry deadlines, team members who have not accepted their position and made payment by the due date will not be entered.*

COMPETITION TEAM EXPECTATIONS

Please ensure your child understands the commitment they are making to their team and their training sessions. If your child commits to a team, they are committing to that teams set training sessions. Teams cannot compete if they do not have the required number of competitors, so competition attendance is vital. Please consider the cost and commitment before registering. We would like to assign teams and commence training as soon as possible and withdrawals can be very disruptive to teams that have already commenced training.

If you have any questions, please do not hesitate to contact us at sportaerobics@calvarycc.qld.edu.au . We look forward to an exciting 2026 aerobics season.
