

CALVARY CARBROOK
MSS SPORTS
PROGRAM OVERVIEW

CALVARY SPORT - Unleashing Potential

Overview and Rationale:

Calvary Sport operates within a vision of creating and providing opportunities for students to grow, develop and innovatively learn within the context of a vibrant connected Christian community from Years P-12. Calvary Sporting Programs are inclusive and enable our students to develop a range of skills and a lifelong interest and love for sport whilst developing core Christian values. We are indeed committed to the holistic growth of athletes so that they become “champions of character”.

The College’s innovative and professional coaching and development structures are focused in three keys areas: Futsal/Football, Netball, and Volleyball. We also offer programs in Boys Basketball and Running/Cross Country. As the College continues to expand, more sporting programs will be developed and implemented.

Representative Sport

Pacific District Trials are also available to students across all team sports which are affiliated with Queensland School Sport. These trials are convened by schools across the District, and selection in a District Team leads to South Coast Regional Trials.

Some costs are involved in our key sports, including purchasing of uniforms, and contribution towards the registration and transport costs associated with various competitions and tournaments.
