

28 January 2026

Dear Parent/Caregivers

Springwood Paddock to Plate Jnr

We are again offering Paddock to Plate Junior as a co-curricular program in 2026. In Terms 1 and 2, ten Year 6 students can join the club. In Terms 3 and 4, the club will be offered to Year 5 students.

Each week we will harvest fresh produce from the horticulture gardens and cook delicious meals. We will also use produce from Carbrook Farm. Students will be given a takeaway container or jam jar to take home. No promises that it will make it home.

The aim of this club is to teach students basic cooking skills while helping them to understand how to harvest fresh produce. We will also discuss food sustainability and how fresh produce can look different shapes and colours.

This club will run on Thursday's at second break. As we will need to purchase some ingredients for our cooking, there will be a cost of \$100.00 to participate in this club. This fee will cover the two terms of participation.

As mentioned above, involvement in this club is limited to 10 students. If your child would like to join this club, please complete the forms link [here](#).

If you have any questions in relation to this program, please feel free to email me at angela.haupt@calvarycc.qld.edu.au.

Kind regards

Farm Manager
