Celebration Costume Requirements and Reminders

Dear Parents

We have been busy learning, practising, and refining our celebration performances and we are all excited to perform for you. Please see below for important details about this event.

Tickets

If you have not yet booked your ticket, please do so using the link below.

Early Finish 21 November

We recognise that this evening can be very tiring for our students and are offering an early pick-up option for Prep and stage 1 at 12.00 am. If you would like to collect your child early so that they can rest, please meet your child's teacher at their own classroom. Sign out at main reception as per usual process using student ID. If your child is going home with a friend or family member, we ask that you let the teacher know by email prior to the day. Supervision will continue with quiet activities for the students remaining at school.

Costumes

Class teachers have organised most of your child's costume and will hand out items to your child after our rehearsal on Tuesday 21 November. We ask that all students arrive and leave with suitable footwear on. As they will be removing shoes for their performance, we ask that you send shoes they can slip on and off and that they are clearly named. There are some remaining costume items that each year level requires.

Please see below for details.

Performance Pick up/Drop off

We will have different pick up and drop off points for each year level to accommodate student numbers. As our staff are involved throughout the evening, we can not supervise students until it is their allocated drop off time. Please keep your children seated with you until their designated time. After their performance students will remain with their class teachers until it is pick up time.
