

## College Group Photographs

Dear Parents,

College Group photos will take place on Wednesday 20 August 2025.

Please see the attached schedule for our College group photos. Students are required to wear their formal uniform for all photos listed except for the Show Team or Jungle Book photographs. Show Team students will need to change into their respective uniforms, Jag students will need to wear gumboots and the Jungle Book cast will wear their T-shirts from the production

Key information:

- Blazers are compulsory for Year 11 and 12 students.
- Incorrectly attired or groomed students will not be photographed.
- Any student who missed our earlier Individual photo day will be photographed from 8:45am.
- Photos will be **made available** for parents to purchase **after photo day**. A personalised order envelope/letter will be sent to each child who appears in these group photos. All photos for that particular child will be listed on their form. From this, parents can place their orders for any/all photos their child appears in.

If possible, please avoid student appointments on photo day as absent students are unable to be rephotographed or included.

School photos are a valued and permanent record of your child's involvement in key events or leadership positions at the College. Could you please assist in making this photographic record a memorable one, by ensuring your child arrives at the College in a high level of personal presentation.

Yours Sincerely,

Mr D. Arraiol  
**Head of Middle and Senior School**
