

29 January 2026

Dear Parents/Carers

In 2026, students from Prep to Year 6 will have the opportunity to attend JAG on either a **Tuesday** or **Wednesday** morning.

This year we will be participating in/learning the following:-

- Ekka's Hi-Line Brown Schools Egg Laying Competition
- Ekka's Education on Show Competitions
- Cooking and eating lots of delicious food
- Basic Paddock to Plate, animal husbandry and horticulture

To help to cover the costs of running our JAG program in 2026 and to contribute towards our farm, a one-off fee for the whole year of \$125.00 is payable by each student. As part of this fee, your child will receive a copy of our Calvary Agriculture Yearbook. The Yearbook will include many photos taken at JAG throughout the year. You will be invoiced for this amount once your request to participate is received so please do not send in any payment in advance.

The staff who will be helping to facilitate JAG in 2026 are:-

Tuesday

Mrs Angela Haupt
Mrs Kate Lane
Mrs Roxanne Eksteen

Wednesday

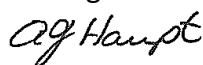

Mrs Angela Haupt
Mrs Tatem Furner
Miss Jodie Knowles

Students meet at the Cunningham Pavilion at **7:45am** and are walked down to the farm by staff. Gumboots are optional; however, they do help on the mornings after a heavy dew. Please ensure your child has a hat as we will be outside.

If your child would like to participate in JAG, please complete the [here](#). Numbers will be capped at 35 students each day. If you are flexible on the day that your child attends, please select either day on the form. This will enable us to ensure that as many students as possible can attend.

Should you require any information in relation to JAG, please do not hesitate to contact myself via email at angela.haupt@calvarycc.qld.edu.au or call the College on 3287 6222.

Kind regards

Angela Haupt
Farm Manager
