

Dear Parents/Carers

At Calvary Christian College we continue to focus on the provision of Exceptional Learning opportunities for each student. While mastery of core curriculum matters, the development of the skills and dispositions required for lifelong learning matters more and sets students on a path of ongoing success in all aspects of their lives. This is why unleashing potential is so important to us and we invest in a wide variety of learning areas both in and beyond the regular classroom environment, as well as providing a foundation for supporting the development of each student.

We understand that knowing what the next year's school fees will be is important to your family's planning. Recognising the challenges faced by families with household budgets, the College Council has made every effort to minimise fee increases. To further assist families, the College offers discounts if annual fees are paid in advance, or if a Direct Debit facility is put in place for your account. These discounts support and honour those parents who meet their contractual fee payments on time.

There are costs associated with providing the quality education you desire for your child. To ensure the College is well positioned and well-resourced to continue to offer a quality educational product, the College Council has been working with College management to finalise the College Budget for 2022.

We know our high-quality Calvary teachers are the single greatest contributing factor to enhancing our students' learning. We seek to ensure your child has the best possible learning environment with dedicated staff and access to quality resources and IT infrastructure. A small increase in fees is necessary for the College to continue to do these things.

It is our honour to lead the College, but also our responsibility to maintain financial sustainability and delivery of the College's vision. We are confident that the quality of education at Calvary Christian College is exceptional value for money.

If you have any questions, please contact the College on 07 3287 6222 or email fees@calvarycc.qld.edu.au.

Yours sincerely

Cherylynne Gostelow
Principal and CEO

Kevin Gordon
Chair of College Council

3	5,000	900	5,900	400	270	Variable
4	5,200	1,200	6,400	400	270	Variable
5	5,300	1,300	6,600	400	270	Variable
6	5,300	2,200	7,500	400	270	Variable
7	6,800	2,300	9,100	400	270	Variable
8	6,800	2,300	9,100	400	270	Variable
9	7,600	2,500	10,100	400	270	Variable
10	7,600	2,500	10,100	400	270	Variable
11	7,900	2,500	10,400	400	270	Variable
12	7,900	2,500	10,400	400	270	Variable

Available Discounts

Early Payment	5% of Tuition Fee <i>If the annual fee is paid in full before Friday 21st January 2022</i>
Direct Debit	3% of Tuition Fee <i>Applies only when all payments are made by direct debit during the year and the fee account is settled in full by end of Term 4.</i>
2nd Child	10% of Tuition Fee
3rd Child	35% of Tuition Fee
4th + Child	100% of Tuition Fee

¹ The compulsory levy covers the cost to the College of non-optional camps and excursions, laptop computers and curriculum materials, including those previously charged as MSS subject levies. There is, however, a stationery list for parents/caregivers to fulfil at your own expense.

² Donations to the building fund are optional and tax deductible and this is the suggested minimum donation per family.

³ The College collects the P&F membership (\$20) and levy (\$250) per family on behalf of the P&F. There is an option to work back the levy amount through volunteering at P&F events.

⁴ Optional extras include items such as optional co-curricular (e.g. private music lessons, music development program, the livestock show team and some VET courses), bus transport, college jersey and sport competitions. The cost of these will be advised when signing up for an activity or service.
