Dear Parents and Carers

Andy and I would like to welcome you to the beginning of a new school year. We hope you enjoyed the Christmas break, filled with precious family time, and that 2026 has had a positive start.

We look forward to getting to know our new families joining us in Prep and across all Stages. As we settle into the rhythm of the new school year, we trust that you will quickly experience the care, encouragement and strong sense of community that make our school such a special place.
