¹ The compulsory levy covers the cost to the College of non-optional camps and excursions, laptop computers and curriculum materials. There is, however, a stationery list for parents/carers to fulfil at your own expense.

² Donations to the building fund are optional and tax deductible and this is the suggested minimum donation per family.

³ Optional extras include items such as optional co-curricular (e.g. private music lessons, music development program, the livestock show team and some VET courses), bus transport, college jersey and sport competitions. The cost of these will be advised when signing up for an activity or service.
